Offering approximately 100 head of select fullbloods!

Also foundation does, herd sires, reds, paints, percentages and show goats from our strings!

We would like to take this opportunity to welcome you back to the Fourth Annual Elite Coalition Boer Goat Sale. Just as last year, we are in the spacious Four States Fair grounds in Texarkana, Arkansas. This facility is a very comfortable venue and large enough to accommodate the opportunity for continued growth in the future. We know you will find it a very comfortable sale experience.

We think you will be pleased with the quality and selection of our animals. Many of the animals consigned come from our show strings and have collected numerous ABGA and IBGA points, as well as having passed the ABGA's Visual Inspection for Ennoblement. We are extremely proud to offer an outstanding selection of Boer Goats from nine breeding programs; Able Acres Boer Goats, CBA Boer Goats, Farmer's Stock Exchange, Hidden Oaks Farm, Pair-A-Docs Boer Goats, Pleasant Valley Boer Goats, Menger Creek Ranch, Widener Boer Goats, and special 2008 guest consignor, Martin Farms.

Our line up again for this year will consist of foundation does, herd sires, show prospects, and many goats that have been shown and carry points from both the ABGA and IBGA. We are very excited and pleased to offer for sale several feature lots, the 2004 IBGA National Champion Buck, Ennobled Bingo's Superman; progeny from the 2005 IBGA National Grand Champion Buck, TLB T333 Ripper; progeny from the 2006 ABGA National Champion Buck, Ennobled DCW Bo Jangle; progeny from the 2007 ABGA and IBGA National Reserve Champion Buck, SWE Main Event. Don't miss this special opportunity to obtain these genetics for your herd.

Plan on joining us Friday evening at 6 PM for a "South of the Border" reception and mixer with the breeders. Again, we will be serving a Cajun lunch at 11:30 sale day.

Thanks again, and we appreciate your interest.

His breed character begins with a wide and curved head, an extended neck, an awesome and clean chest and the hip and hindquarter we breed for but don't always get. He's a credit to the combination of Aflac, Nasdaq and Mojo genetics.

If you are looking to add muscle, style, balance, and breed character, look no further as this buck is loaded with it. Pedigree wise, Ripper is a linebred work of art. He is a full brother to the Multi Champion Circle R/ABF Mutombo and The IBGA National Grand Champion Buck ABF Meatloaf "Ennobled." To-Bi's pedigree speaks for itself and he has produced numerous show quality kids. This is the kind of bloodline that will never fade away.

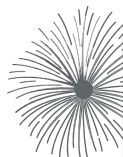

ABF M28 To-Bi

ENNOBLED TRUST N LUCK

Ennobled Trust N Luck made his mark on the Boer goat industry early. As a kid he was named the 2003 Buck Futurity Champion and walked away with the prize money. His show career continued to bloom and he was a force to be dealt with every time he entered the show ring...not to mention the success of his offspring. He maintained his strong, long topline and width throughout. When this much power is combined with fluid, graceful movement it is a rare package. It's no wonder his offspring have been so overpowering in the show ring.

Trust N Luck

REFERENCE SIRES

NAMA BLITZ ENNOBLED

Owned by Downen Livestock and Bill Soltow
NAMA Blitz was the \$40,000 buck from the T4 Ranch dispersal. He is the son of the 2002-2004 South African World Champion Buck, Dr. Pepper. He is the perfect outcross for many of today's top genetics. We used Blitz in our 2005 and 2006 flush programs and by pairing our Ennobled RRD Remington and Ennobled RRD Gauge daughters, we produced several of our current top show does. These are strong genetics!

DCW CANNON BLAST!

DCW Cannon Blast! is a son of the great RRD Cannon*Ennobled* and out of a RRD Top Brass*Ennobled* daughter. He is straight Ryals bred and due to this line breeding is a consistent predictable sire of quality kids. Blast has had a super show career and is now producing those outstanding show prospects. His kids have the pretty show ring look as well as the power that it takes to be at the top.

AGBG GATERIDGE BLASTER

Our RRD Canon over an Eggsfile daughter son was purchased last year from GateRidge Farms just prior to their herd reduction sale. He is co-owned with Word Ranch in Alvin, TX. We put Blaster right to work once he came aboard on a few of our percentage and fullblood does. Every one of his kids were a pleasant surprise as they have all demonstrated the typical RRD breed characters such as heavy muscle and bone structure. These are some excellent kids many of which will be retained in our current breeding program.

RRD GAUGE – ENNOBLED

Sire: RRD Remington **Ennobled**
Dam: RRD Ms. M27 *Ennobled*

Gauge is extremely long with a beautiful Roman head. He has numerous offspring winning in the show ring. He is the sire of AABG/LOID Cover Girl, AABG/LOID Great Balls A Fire, Collateral Damage, POW, Pleasant Gauge, Full Metal Jacket and many more outstanding show goats and significant breeding stock. Gauge is one of the outstanding sires in the breed.

CBA GERONIMO

Sire: "Crown C Tahbo" (Mojo Magic and Shaka Zulu grandson)
Dam: "Circle R Cherokee" (full sister to our herd sire Warpaint)
"We lost Geronimo this past year to a broken neck he sustained while battling with a fence post. He will be missed as he gave us some of our most colorful and structurally correct kid's to date. He produced many show winning kids. We still have and will keep several of the doe kids he gave us last year."

FSE 3091 IRON MAN

We've used this five-year-old as our number one stud buck for two years partly because of his fertility and aggressive breeding. Like his sire Rambo, he has a beautiful head and a powerful build. His dam, Oprah, with 70 Ennobled points, is responsible for the elegance of his doelings. Iron Man's son, B123 Dude, won Grand at the Houston Livestock Show, the Austin Star of Texas Livestock Show and Holiday Classic, Day I this year.

FSE 2170 JOMO

This Mojo x Frances son is presently in a breeding pen with our older does. This six-year-old buck is as sound on his feet and legs as ever and still carries a long, wide and level topline. His claim to fame, in addition to his pedigree, lies in the beauty and femininity of his doelings and masculinity of his buck kids. His progeny, who are sometimes paints, show up frequently in the show rings.

CBA MAVERICK SA

DOB: June 22, 2005

Maverick was shown in seven ABGA sanctioned shows and has six first place wins and one second place win and has 30 points towards his ennoblement. He has also passed both of his visual inspections. He has several kids who have also accumulated show points towards his ennoblement. His dam, who is a Magnum daughter, has 35 points and has passed visual inspection. His sire is ABF M28 To-Bi, our main herd sire who is an Ennobled Eggs the Sequel over Ennobled ABF Lillie son. His 2008 kid crop started hitting the ground on Christmas Eve and WOW!, things just keep getting better. I'd almost bet the farm that the 2008 show season for his kids will be nothing less than exciting!

FSE 3057 PHENO

ABGA's out-of-date listing for Pheno shows him with 50+ points. One of his sons, #7117, won his class this year at Austin's Star of Texas show. Pheno is exceptionally long bodied, heavily muscled and up fronted. He is a flush mate to Dr. Dressler's "Dynamo" and just as fancy. Pheno exemplifies the best of both Mojo and Frances.

FSE 5086 "STORM"

Sire: FSE Aflac "Ennobled" (Blue Chip son)
Dam: FSE 0260 (Sumo daughter)

Storm was the high selling buck at the 2005 Silver Exchange Labor day sale. He has produced many show winning kids and the 2008 kid crop has started out great! All his kid's demonstrate The Farmer's Stock Exchange standard of structural correctness and Heavy muscling. In 2007 he produced several wether show champions. I'm sure in 2008 you'll be seeing several of his kid do well in both breed shows and on the wether circuit.

TC1 W284 "TUFF E. NUFF" (10217933)

Outstanding son of FSE "Wide Track," a Highlander 104 son, and a Charles Turner doe, "Audrey." "Tuff" has a beautiful Roman head and a perfect bite which is further complimented by his length of body, level top line and heavy muscling. He's an extremely consistent show - winning producer who easily passes these highly desirable characteristics on to his kids. Offerings are limited to four - don't miss out!

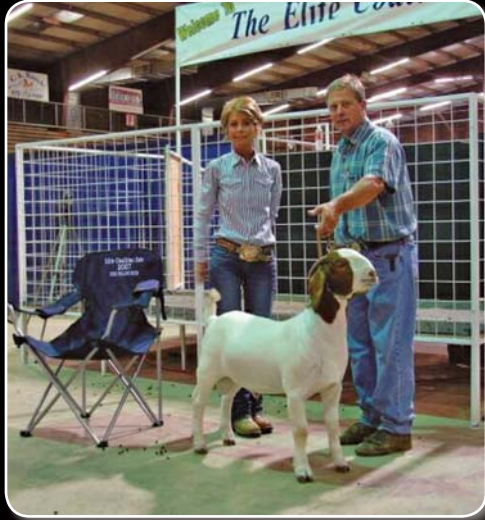

ANR WIDE LOAD (10375287)

Overall Grand Champion; 2007 NAILE, Louisville, KY

If you need to improve rack shape, increase and flatten bone, add a text book perfect head to a wide powerful chest floor, and combine this with unbelievable muscle density "WIDE LOAD" will deliver the goods! Sired by the 2005 Overall National Grand Champion buck and *Ennobled* TLB T333 "Ripper" and out an own daughter of TLB M154 *Ennobled* (sire of the 2006 Overall National Grand Champion buck "Powell Holman 84S"). Wide Load's *Ennobled* dam DSM 4B137 is a six time Overall Grand Champion doe whose wins include the Overall Grand Championship at the 2007 Fort Worth Stock Show.
