**Offering approximately 125 head of select fullbloods!**

Also foundation does, herd sires, and show goats from our strings!

We would like to take this opportunity to welcome you to the Fifth Annual Elite Coalition Boer Goat Sale. As in the past years, we are in the spacious Air Conditioned Expo Center at the Four States Fair grounds in Texarkana, Arkansas. We know you will find it a very comfortable sale experience.

Many of the animals consigned come from our show strings and have collected numerous ABGA and IBGA points, as well as having passed the ABGA's Visual Inspection for Ennoblement. We are extremely proud to offer an outstanding selection of Boer Goats from nine breeding programs; Able Acres Boer Goats, CBA Boer Goats, Farmer's Stock Exchange, Hidden Oaks Farm, Pair-A-Docs Boer Goats, Pleasant Valley Boer Goats, Menger Creek Ranch, Widener Boer Goats, and 2009 special guest consignor, Damon and Nancy Hahn of Rock n' H Boer Goats.

Our line up again for this year will consist of foundation does, herd sires, show prospects, and many goats that have been shown and carry points from both the ABGA and IBGA. This sale offers you the once in a lifetime opportunity to purchase winning genetics from previous National Champions under one roof. We are very excited and pleased to offer progeny from these National Champions; 2009 ABGA National Champion Buck, 2008 X Luger; 2008 ABGA National Champion Buck, ANR Wideload; 2007 ABGA and IBGA National Reserve Champion Buck, SWE Main Event **\*\*Ennobled\*\***; 2006 ABGA National Champion Buck, DCW Bo Jangle **\*\*Ennobled\*\***. Don't miss this special opportunity to obtain these genetics for your herd.

Plan on joining us Friday evening at 6 PM for a "South of the Border" reception and mixer with the breeders. Again, we will be serving a Cajun lunch at 11:30 sale day.

Thanks again for your support.

## **ENNOBLED DER BO'S BOUNTY**

Ennobled DER BO'S BOUNTY a rugged, thickly muscled, heavy volume buck standing on tremendous bone. Breed to him if you want stoutness, width, thickness, and mass. His kids look like linemen for the Green Bay Packers, not ballerinas for the Joffrey Ballet. You wouldn't call them pretty, but powerful, yet balanced, blended and smooth. If they have their sire's personality, they are a bit arrogant and headstrong. He's no sissy buck! He likes to have his way, and is big enough to get it. Often he won championships standing backwards in the drive because no one was strong enough to make him line up like the other bucks. But then he didn't consider himself to be just another buck, and apparently, neither did the judges who placed him first a record 24 times! With 200 points of his own, and 139 points thus far from his progeny, Bounty genetics breed true and thick. His 24 first place wins, multiple Overall Grand Championships, and third placing in the ABGA National show speak for themselves. Bounty genetics produce bountiful show results.

## **AABG/LOID GREAT BALLS A FIRE \*\*ENNOBLED\*\***

## **SWE MAIN EVENT \*\*ENNOBLED\*\***

He has amassed over 800 ABGA point with 37 of his kids ennobling him. The more Main Event kids you see, the more you like him and see what he brings to the table. His kids are big, tall, long, excellent topped, elegant and naturally deep muscled.

## **S2 CAPTAIN MARVEL \*\*ENNOBLED\*\***

If you are looking for hard natural muscle – this is your buck. He consistently packs it on his kids with tight strong tops, loins and deep leg muscle. You can depend on it!!

A son of OnDaq and Precious Perfect, Remax sired many of our most stylish does. "8086 Above the Crowd" typifies his progeny. Additionally, he won more ribbons and trophies than any of our show bucks in 2008. His handler, Robin Walters, never called him anything but "Handsome."

## **FSE 5197 MARVEL**

Thanks to Marvel, we've sold more percentage does and wethers this year than ever before. Never have we bred a taller, longer or heavier made buck and his size and beauty leave visitors awestruck. To see him is to want his progeny and three of his "funky" colored percentage does are consigned to this sale.

We have no doubt that "Mark" is the best buck we've ever bred and raised. He is so complete and balanced he was almost overlooked in several shows. However, he did garner 4 Grand Championships, several Reserves and one Class win. The length, width and depth of his loin, his hard muscling and his athleticism are among his strongest characteristics.

## **FSE 6123 DUDE**
